4.4.2: Procedures and policies for maintaining and utilizing physical, academic and support facilities of laboratory, library, sports complex, computers, classrooms etc. 2019-20

Laboratory: Language, Science, Mathematics, Psychology, Computer, Social Science and Physical Education laboratories are well equipped and maintained.

Language Laboratory is connected with the Computer Laboratory and the software used is ETNL Language Lab software.

Science Lab: We have two science laboratories i.e. Physical Science (Physics & Chemistry) Biological Science (Zoology & Botany) for conducting practicals & tests.

Mathematics Laboratory: Mathematics laboratory is also well equipped with mathematical equipment

Psychology Laboratory: It has sufficient materials for Psychology Tests and practicals. A number of Psychology tests like Achievement Motivation, Intelligence, personality etc. were administered to the trainees and Case studies were undertaken by our students under the guidance of our Psychology teachers during the year.

Social Science Lab.: All the equipments and Maps related to History, Civics, Geography, Economics are available in Social Laboratory. Best projects and teaching aids which are prepared by our students are also displayed in the laboratory.
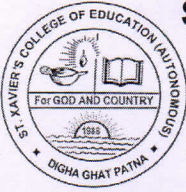

Physical Education Lab.: It is used for Physical Fitness. All equipment related to Physical Education and Exercise are available in the Laboratory.

Library: We have a semi automated spacious Library with a total number of 14483 books. This year we have added 79 books. A total of 24 Journals are available in the Library. Other than books, sufficient Research materials and educational documents in soft and hard forms are available in the library. It has also 3105000 e-books and 6000 e-journals. We have Annual Membership of INFLIBNET-NLIST from the year 2011 with Information and Library Network Centre Gujrat University. SOUL 2.0 software is used for transaction. The staff and students make maximum use of the same.

Sports Complex: For outdoor games we utilize the facilities of the spacious play grounds of our sister school which is located in the same campus.

Computer Laboratory: Well maintained computer laboratory with 50 latest technoloty computers. All the computers are protected with antivirus. Two periods a week are allotted to students of each course for hands-on computer awareness. Our Research scholars also make the maximum use of the same.
