### 7.3.1 Highlight the performance of the institution in an area distinct to its priority and thrust:

The vision and the mission of the college depicts the distinctiveness of the institution. The vision of the college is **“to build an egalitarian society based on justice, freedom and harmony through our teacher-trainees, extension service and research”** whereas the mission of the college is **“to train well-motivated teachers and teacher educators who will be intellectually competent, morally upright, socially committed and spiritually inspired in order to become instruments of social transformation and to find new ways and means to teaching-learning process”**. Hence, the aim of the college is that the students who take their training here become well - formed guides who will accompany the young learns on his or her journey to becoming a fully human person. The college, therefore, offers an all-round training one that is at once intellectual, cultural, social, emotional, physical, aesthetic, moral and spiritual. Furthermore, the college aims at conducting in-service programmes for teachers and administrators already in service in schools in order to update them on educational issues and findings and to develop the required skills using modern information technology and innovative practices. Besides, the college undertakes documentation and research in relevant educational areas. The college is one of the leading autonomous teacher training colleges in Bihar.
