Aryabhatta Knowledge University, Patna

NAAC Accredited with 'A' Grade (3rd Cycle)

7.3.1 Provide the details of the performance of the institution in one area distinctive to its vision and thrust. : 2019-20

We are committed to promoting quality education and are working for academic excellence by conducting research training and innovative activities. In our pre-service training we are not merely satisfied with providing the trainees with a B.Ed. / M.Ed. degree, but we try to develop excellence in all spheres of their life to make our trainees to become men women for others according to true Jesuit Charism.

In order to enrich and empower our trainees, several seminars and workshops were conducted during the academic year. Among them were: 1. Seminar on Microteaching: It is to make the trainees aware that teaching is a complex process that facilitates and influences the process of learning. It increases the self-confidence, improves the in-class teaching performances and develops the classroom management skill. 2. Workshop on Integral Pedagogical Paradigm (IPP): The content of IPP goes beyond mere academic excellence but human excellence comprising competence, conscience and compassionate commitment. This calls for the all round development of the students. The objective of IPP is Integral Development calling for a process towards radical transformation not only of the way in which people habitually think and act but the very way in which they live in the world. This means a constant interplay of ones experience and reflection resulting in meaningful and fruitful action. It is noticed that a great change in the teacher-trainees of our college after the IPP programme as evidenced by the alumni and the information by the heads of the institutions they are serving.

To inculcate civic responsibilities among our trainees we have organized Awareness Programmes on Swachh Bharat Abhiyaan, Environment Awareness, Gender Awareness, Anti-ragging, campaign fund raising against Communal Harmony and Tuberculosis and fund raising against Natural Calamities.

A number of cultural functions were organized by our students moderated by our faculty members, to develop greater self confidence, co-operation, camaraderie, aesthetic sense, appreciation of the cultural diversities of our country.
