Greetings from SXCE, Patna!

We are happy to share that our students in the past have received excellent placement offers from reputed institutions in India.

The two-year full-time B.Ed. as well as M.Ed. programmes have all the salient features of standard education, delivering relevant andragogy. We have a pool of committed faculty members, who help the trainees to develop their teaching skills and leadership qualities along with functional competencies.

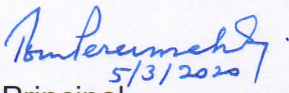

We take up their practice teaching internships which are for four months seriously. During this time they are trained in academics as well as co-curricular activities too. We are looking forward to have a mutual beneficial collaboration with an institution like yours through multi-lateral ties such as 'guest lectures', 'educational seminars' and other activities that will facilitate teaching-learning of our trainees.

We are happy to invite you in our institute for the placement process, scheduled on **17th March 2020 (Tuesday) from 10:00 A.M. to 1:00 P.M.**

We believe that a pool of committed and enthusiastic prospective teachers will be able to prove their competencies up to your expectations.

We provide a forum and encourage schools to visit our campus and conduct the entire process in person. Kindly inform regarding your presence, number of personnel coming and number of vacancies required in various subjects latest by **15th March 2020.**

Thanking You.
