Invitation for Campus Placements, 2024

Greetings from SXCE Patna!

We are happy to share that our students in the past, from different batches, have received excellent placements from reputed institutions in India.

The two-years full-time B.Ed. and M.Ed. programmes have all the salient features of qualitative education, delivering relevant Andragogy. We have a pool of committed faculty members who help the trainees develop relevant teaching skills and leadership qualities, along with functional competencies. These pool of committed and enthusiastic prospective teachers are ready to face challenges and give the maximum according to their potentialities.

We take B.Ed. trainees internship for four months seriously. They are trained in academics as well as co-curricular activities. We are looking forward to a mutually beneficial collaboration with an institution as yours through multi-lateral ties such as 'guest lectures', 'educational seminars' and other activities that facilitate learning and training.

We are happy to host your institute for placement for our students from 11th May, 2024 onwards. (As per your availability.)

We encourage schools to visit our campus and conduct the entire process in person. Kindly inform us of your presence regarding the number of personnel coming, and the subjects for teachers required three days before your arrival.

Thanking You.

Prof. (Dr.) Ignatius Topno, S.J.

Principal
