Seminar on Microteaching

A two-day seminar on microteaching was conducted for the B.Ed. students of second year as they had to go for their first phase of practice teaching. M.Ed. second year students were also included in the seminar. Both the days started with a prayer service which was conducted by the B.Ed. trainees. In this two days seminar, all the techniques and skills of teaching was explained by the concerned proficient professors. In the first session, on the first day, the seminar started with an introduction to microteaching and Bloom's Taxonomy by Dr. Madhu Singh. The topic specific objective was dealt by father Victor Osta S.J., followed by Set induction by Mrs. Sapna Suman. In the second half of the day, the students were sent to their respective method classes to practice the skills learned during the first session. The second day again began with a prayer service followed the explanation of questioning technique, audio visual aids, stimulus variation reinforcement skill by Dr. Thomas Varghese, S.J., Mr. Sushil Kumar, Mr. Deep Kumar And Dr. Vikramjit Singh respectively. After a small break, the session continued with the explanation of blackboard skill by Dr. Nimisha Srivastava. The last skill of closure was dealt by Ms. Vijay Shree. Finally, the day ended with the practice session of the various skill in the respective method classes.

Freshers' Day

Freshers' day is an official celebration to welcome and make the new comers friendly and comfortable in an institution. On 27th of July 2019, St Xavier's college of Education organised freshers' day for the newly admitted student teachers of 2019-2020 batch. Both the batches together actively participated in the program. This was a kind of ice-breaking session for the new comers to display their talents and to have amusement along the way.

The day was filled with bliss, delight, melody and merriment. The program started with lighting of the lamp followed by a prayer service. The seniors of the college presented various cultural activities like dancing, singing etc. A skit was also performed to entertain and make the newcomers familiar with the educational journey of students in the college.

The event was graced by Fr. Seraphim John, S.J., Rector of the college, Fr. Principal, Thomas Varghese, S.J., and Professors of the college. The event ended with Fr. Principal's speech appreciating the students for their wonderful performances and lively participation. He even motivated the students to carry forward the tradition of hard work in the college and thus bring laurels to the college and to their academics as well.

Orientation day of P.h.d. Scholars

With the conferment of autonomous status, SXCE started its first batch of Ph.D. on regular basis in the faculty of education. Total 12 students have been given admission after qualifying the entrance examination followed by an interview. All the students are required to undergo a course work for a period of six months. This six-month course work started with an orientation program on 5th august 2019. The primary purpose of this orientation program was to orient them with the regulation of the Ph.D. course work process and streamline the Ph.D. research procedure. This was to help the new entrants understand the educational opportunities available to them, the creative and systematic work they were supposed to undertake to increase their stock of knowledge, to devise new and innovative prowess in the field of research.

The program commenced with a spiritual Prayer service followed by lamp lighting by the Rector of the college, Fr. Seraphim John, S.J., Dr. Fr. Principal, Thomas Varghese, S.J., Dr. Ignatius Topno, S.J., Dr. Madhu Singh, Dr. Nimisha Srivastava and one of the Ph.D. scholars. The session started with a welcome address by Fr principal apprising the scholars with the general guidelines governing the regulations and provisions for the Ph.D. encouraging them for excellence and innovation as the sole guiding criterion for quality research. He emphasised on doing research that would bring about transformation actually catering to the emerging societal needs. Father Ignatius sharing his words of wisdom asked them to be passionate about their work and explore something new thereby bringing glories not only to their institution but to the society at large. He even emphasized that the scholars should make best use of the library resources and stick to their time table and be determined to finish their work in stipulated time.

Workshop on Integral Pedagogical Paradigm

Integral pedagogical paradigm also known as Ignatian pedagogical paradigm incorporates practical pedagogical skills based upon the tenets, ethics and actions underlying the divine principles of St. Ignatius of Loyola, pioneer of the Jesuits. St. Xavier's College of Education organized a two day workshop on the Integral Pedagogical Paradigm on 19th and 20th of September, 2019 for the 2019-2022 batch B.Ed Trainees.

The first day of the seminar started with an introduction to the five components- context, experience, reflection, action and evaluation of IPP by our honourable Principal Fr. Thomas Varghese, S.J. Then Dr. Madhu Singh explained the importance of

teaching learning process being made context based i.e. head level learning be made heart level learning for better understanding. This was followed by Fr. Victor Osta, S.J., who emphasized upon making the heart level teaching learning process experience based. Fr. Edison Armstrong, S.J., taking the workshop ahead encouraged doing reflection as an important step for making experienced based learning more effective. Then connecting the workshop with the third element reflection Fr. Kalyanus Minj, S.J., stressed how this would in turn lead to action. Then finally the fifth and the most important element of the cycle evaluation for the periodic growth of the teaching learning process was explained by Fr. Ignatius Topno, S.J. After this the student teachers were sent to their respective method classes for further activities.

On the second day, the workshop started with the presentation of lessons prepared in the form of skit, incorporating the five elements taught the previous day. Finally, the workshop ended with a speech by Dr. Madhu Singh on Classroom Climate.

National Workshop on Research Paper Writing and Publishing

For a student or a professional research is very important, but when it comes to writing a research paper it seems a big challenge. SXCE realizing the importance and need for this, organised a two-day national workshop on "Research Paper Writing and Publishing". It was organised by the Internal Quality Assurance Cell (IQAC) of St. Xavier's College of Education, on 12th and 13th of October, 2019. It was attended by 50 registered participants. The students of M.Ed second year and Ph.D scholars of SXCE along with the faculty members attended the workshop. The workshop started with an evocative Prayer Service by the students. The session was hosted by Prof. (Dr.) Madhu Singh. At first Fr. Principal, Thomas Varghese, S.J., welcomed the Resource Person, Prof. (Dr.) Rajni Ranjan Singh, (Dean of Student Welfare, in Dr. Shakuntala Misra National Rehabilitation University, Lucknow), the chief guest, Prof. (Dr.) Gyandeo Mani Tripathi, (Dean, School of Education Research and Training, Aryabhatta Knowledge University, Patna.), and the participants. This was followed by a motivational speech by the Chief Guest, Dr. Gyanmani Tripathi, who focused on the need for better education and skills. Later the podium was handed over to Dr. Rajni Ranjan Singh for the continuation of the workshop.

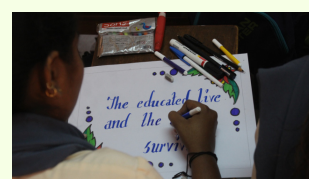

Dr. Rajni Ranjan Singh started the workshop asking a very important question to the participants, "Is this profession of a teacher by chance or by choice?" in this two day workshop he dealt with the various important aspects of research and the techniques to write good research papers and finally how to get them published authentically without entering the premises of plagiarism. Thus the two day workshop ended successfully.

College Day

To celebrate the feast of our patron St. Francis Xavier, the college day was celebrated on the 3rd December, 2019. On this occasion, along with the Rector Fr. Seraphim John SJ, and Fr. Principal, Dr. Thomas Varghese, S.J., other respected Fathers, Sisters and Professors were there.

The theme of the program was to show the prominence of our country, India on one hand and on the other hand, it also highlighted the contemporary issues. Two skits were performed, one showed the ill-effects of pollution and another corruption. A dance based on the theme of unity amidst diversity was also performed.

Honourable chief guest, Provincial, Rev. Fr. Donald Miranda, S.J., addressed the trainees and explained the proper use of mobile phones. After the program, delicious lunch was also organized for everyone present at the event.

Environmental Awareness Program

An "Environmental Awareness Program" was organised by SXCE, on 19th December, 2019. The resource persons were Peter Gould an ecologist and rainforest generator and Rusheedi Margret Joseph working with Family Law Court, NSW, from Australia.

Christmas Celebration

On 20th December 2019, the most awaiting Christmas Day was celebrated in St. Xavier's College of Education. Both the year trainees got together to make the celebration more merry. The program started with lighting of the lamp. Our Principal, Fr. Thomas Varghese, S.J., faculty members and a few students came forward to light the lamp. The celebration started by making the environment pure and pious through a Prayer service by B.Ed first year students.

Then a beautiful skit depicting the birth and mercy of Jesus Christ was performed. The interesting section was the carols of different languages i.e. Tamil, Nepali, Santhali, Hindi, English and Bhojpuri which were incorporated in between the skit. The carols added meaning and beauty to the skit explaining the true message of Christmas.

Fr. Seraphim John, S.J. Rector of the college and Fr. Principal Thomas Varghese, S.J., delivering the true essence of Christmas wished everyone 'MERRY CHRISTMAS'.
